Bill Jarrett - Community Lay Director

Greetings from Your
Community
Lay Director,

Another set of weekends has come and gone and the Lord just keeps on working in peoples lives. The pilgrims either accepted Jesus as their Lord and Savior or their faith continued to grow through out the weekend. The teams did their usual wonderful jobs of showing the love of Christ, praying for, and giving encouragement to the pilgrims and other team members. The community really came through when it came to showing their love for others. There

was plenty of help in the kitchen and the chapel, dining area was full of people for the apostolic hour and candlelight. When we thought we couldn't get any more people than what we had at candlelight for the men's walk,. Lo and behold we had more people for the women's candlelight service. A big thank you goes out to the Emmaus community for your continued support.

The falls walks are rapidly approaching. The men's walk is Sept. 16 - 19, 2010 and the women's walk is Sept. 23 - 26, 2010. Team selection

for the fall walks has begun so keep Janet Gray and Dan Frankfother in your prayers. If you get a call from either one of them please prayerfully consider serving on team. Also pray for those who God has put on your heart to attend the weekend. Even consider sponsoring someone that you think would grow spiritually by attending an Emmaus weekend. Thank you and keep up the good work.
